The Honorable Kay Granger, Chairwoman
House Appropriations Committee

The Honorable Rosa DeLauro, Ranking Member
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Affordable Housing and Critical Services for Families in fiscal year 2024. The entity to receive funding for this project is the Homeless Prenatal Program, located at 2500 18th Street, San Francisco, CA 94110. The funding would be used to build 74 units of permanent affordable family housing, while expanding the agency's workforce development services with two floors of programming space. The project is an appropriate use of taxpayer funds because it would help address the City's larger housing shortage, while also providing onsite supportive services and job training.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

Nancy Pelosi
